

## Event Questionnaire Results

These are the results of the feedback received for NavRescue 2011. We received feedback from all participating teams.

1. **The Course** – This year the course was different from previous years. It was a metro event and the checkpoints were a combination of flags and question/answer points.

<b>Course Size</b>	A BIT BIG	JUST RIGHT 100%	A BIT SMALL
<b>Checkpoint Numbers</b>	TOO MANY	ABOUT RIGHT 87%	NOT ENOUGH 13%
<b>Checkpoint Spacing</b>	TOO FAR APART 13%	ABOUT RIGHT 87%	TOO CLOSE
<b>Metro Course</b>	DON'T LIKE IT, MUCH PREFER THE BUSH	GOOD FOR VARIETY 100%	GREAT IDEA

### Comments

- Much prefer the bush
- Liked having questions at checkpoints

2. **The Activities** –

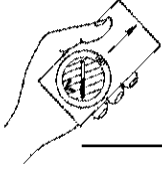

EXCELLENT 38%	GOOD 50%	FAIR 12%	POOR	N/A
------------------	-------------	-------------	------	-----

3. **Attendance for next year** –

DEFINITELY 100%	NOT SURE	NO
--------------------	----------	----

### Comments

- Not for all team members

#### 4. Other Feedback

- Good event and well Organised.
  - Good map work, however we did not use a compass for this event.
  - Progressed through the activities quickly and without having to wait.
  - Had some problems with street names blocking map features.
  - The quality of the topo map (definition) could have been better.
  - More lead time for preparation of event and more info given out to troops.
  - Thank you, had a ball!!
  - Have the BBQ earlier – could smell the food before getting back to base.
  - Provide 2 checkpoint lists
  - Consider having a non-GPS class.
-
